

Hawaii's Leader in Resort Recreation Management

CURRENT POSITION: Location Manager & Assistant Manager

FULL TIME

Manager and Assistant Managers oversee the daily operations and insure safe, friendly, welcoming and productive environments for their team, the guest and our resort partners. The candidate for management must have a high level of ability to communicate, be able to multi-task and delegate, lead, inspire and drive a successful team. Knowledge of the island, geographic specifics, tours, recreation, sales and marketing are helpful skills. Positions are part or full time and may include weekends. Manager / Assistant Managers must be able to work on their feet interacting with employees, guests and resort management. Compensation, benefits and further position specifics covered in interview.
